

APPLICANT CHECKLIST (EXTERNAL)

Use this list when you apply for a civilian job with the Department of the Army or another Department of Defense Agency serviced by the Department of the Army to assure yourself your application is complete. We recommend that you print a copy of this checklist and keep it available for reference while you apply. Sometimes qualified, otherwise eligible jobseekers are eliminated from consideration simply because they did not include a required document with their application.

Be sure to read and follow the instructions carefully, as you may not be asked to provide missing application information. If your application is NOT complete, you may receive an ineligible rating and lose your chance to be considered for the position in which you applied.

All Department of the Army jobs require:

A copy of your **RESUME** showing relevant experience.

Your resume may be submitted in any format.

Your resume must include your first and last name, current address, current email address, current phone number, job title, duties and accomplishments. For qualifications determinations your resume must contain hours worked per week **and** the dates of employment (i.e., month/year to month/year or month/year to present). If your resume does not contain this information, your application will be marked as incomplete and you will not receive consideration for this vacancy. You are encouraged to include your employer's name and address, and your supervisor's name and phone number. If you are a current Federal employee or previous Federal employee you should also provide your pay plan, series and grade level (e.g. GS-0201-09).

Note: If your resume includes a photograph or other inappropriate material or content, it will not be used and you may not be considered for this vacancy. For additional information on creating a resume, click here: [USAJOBS How to Build a Resume](#)
