MEMORANDUM FOR HQ USAREUR Staff Principals and Commanders, USAREUR
Major Subordinate and Specialized Commands

SUBJECT: Army in Europe Summer Hire Program 2015

This memorandum expires 30 September 2015.

1. In support of Army in Europe Families, the Summer Hire Program will be conducted this year. For this program to be a success, we must meet the objective of supporting our Army Families with a meaningful program.

2. As leaders, you have a dual responsibility for supporting our mission while supporting the well-being and development of our Soldiers, Civilian employees, and Family members. The Summer Hire Program provides an ideal way to exercise these responsibilities.

a. The program enables us to have a direct and positive influence on the youth of our community by providing them with meaningful employment and valuable work experience. In turn, the experience they gain will help them prepare for their future educational and career goals.

b. If used wisely, the program can support our mission by giving young members of our community jobs while giving our organizations the benefit of new ideas that these young employees will bring to the job. In essence, the program provides an additional source of employees, even if only for a few months.

3. With your support, the Summer Hire Program will be productive and rewarding for USAREUR and for our "summer hires." You may contact your local civilian personnel advisory center for more information.
