MEMORANDUM FOR

HQ USAREUR Staff Principals and Commander, HHBN, HQ USAREUR  
Commanders of USAREUR Major Subordinate and Specialized Commands.

SUBJECT: Army in Europe Summer Hire Program 2016

This memorandum expires 30 September 2016.

1. In support of our Families, the Army in Europe Summer Hire Program will be conducted again this fiscal year. In order for this program to be a success, we must meet our objective of supporting our Army Families with a program that provides meaningful work and a learning experience.
2. As leaders, you have a dual responsibility for supporting our mission while supporting the well-being and development of our Soldiers, Civilian employees, and Family members. The Summer Hire Program provides an ideal way to exercise these responsibilities.
  - a. The program enables us to have a direct and positive influence on the youth of our community by providing meaningful employment and valuable work experience. The experience our Family members gain will help them prepare for their future educational and career goals.
  - b. If used wisely, the program can also support our mission by giving young members of our community jobs that enable them to assist the organizations to which they are assigned by providing new ideas or insight in addition to the added labor.
3. With your support, our leaders, supervisors, and summer-hire employees will have a productive and rewarding experience.
4. You may contact your local civilian personnel advisory center for more information.

  
WILLIAM K. GAYLER  
Major General, USA  
Deputy Commanding General
